

## **Getting into Moodle**

Moodle address: (no www)  
moodle.sheboyganfalls.k12.wi.us

The easiest way to get into the class for all of these tasks is to click on SFSD Moodle Courses, then AP English, then login. The first time there, you will be asked if you want to enrol (with one “l”) in the class. Say “yes.”

Only these students are enrolled:  
Larry H, Kyle S, and Ben W.

These students need to enroll in AP English:  
Sam H, Jackie R, and Jacob W.

Everyone else needs to email me to get your moodle login and password, even if you came in to get an account earlier. If you signed up with a real email account, you got booted out (don't ask).

My email address is [dhogue@wi.rr.com](mailto:dhogue@wi.rr.com)

Once you have your login and password, then you enroll in the class.
