Use block style and skip an extra space between paragraphs. Use block style and skip an extra space between paragraphs. Use block style and skip an extra space between paragraphs. Use block style and skip an extra space between paragraphs. Use block style and skip an extra space between paragraphs. Use block style and skip an extra space between paragraphs. Use block style and skip an extra space between paragraphs.

When you use dialog, be sure to punctuate properly. The standard system is to give each

speaker his own paragraph.

"Blah, blah, blah," she said.

"You don't know what you're talking about," her mother said.

Use block style and skip an extra space between paragraphs. Use block style and skip an extra space between paragraphs. Use block style and skip an extra space between paragraphs. Use block style and skip an extra space between paragraphs. Use block style and skip an extra space between paragraphs. Use block style and skip an extra space between paragraphs. Use block style and skip an extra space between paragraphs.

At the end, be sure your conclusion is memorable. At the end, be sure your conclusion is memorable. At the end, be sure your conclusion is memorable. At the end, be sure your conclusion is memorable. At the end, be sure your conclusion is memorable. At the end, be sure your conclusion is memorable.
